PLANT PATENT NOTICE (Protected by Plant Patents)

The following provisions apply to all patented and trade-marked plants we sell:

Each plant so indicated is a patented variety under the laws of the United States and any asexual reproduction or distribution by sale, gift, or otherwise of scions, buds or cuttings for such reproduction constitutes an infringement of the patent. Any unauthorized reproduction, sale, or other distribution of reproducing propagating material of these patented plants, prohibited by the patent under these names and trademarks or any other name or names, will subject the reproducer, seller, or distributor thereof to prosecution for infringement under the United States Patent Laws.
